

THE EDUCATIONAL PARTNERS & PATRONS OF THE HOOFCARE ESSENTIALS FOUNDATION
INVITE YOU AND YOUR FRIENDS TO JOIN US FOR A UNIQUE

HOOFCARE ESSENTIALS™ FREE CLINIC

On Sunday, March 9, 2024

**at Jim Brandon Equestrian Center, 7500 Forest Hill Blvd.,
West Palm Beach, Florida**

“Farrier / Veterinarian Pre-Purchase Analysis and Shoeing of the Sport Horse”

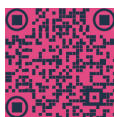

This unique hands-on experience will allow farriers to work in teams of a maximum of 8 farriers to view horses at a walk and jog, and review radiographs and further analysis of the needs of the horse.

Following the analysis the farrier team will work with a veterinarian to develop a shoeing prescription for the horse. The team will then shoe the horse (all four feet). Afterwards the team will present its evaluation to the entire group with a full conclusion of the steps taken for this horse. Presentations will include videos PowerPoint documentations.

We are planning for a minimum of 6 horses.

Farriers are encouraged to register themselves, teams of two (which will be combined with other teams of two), or a full team of 8 farriers. Each team will have a moderator to work with the team and a videographer to document all steps taken in the shoeing of each horse. The videographer will work with the team to provide a complete documentation of the steps taken for each horse. After the day, each presentation will be posted on the Hoofcare Essentials website (www.HoofcareEssentials.com) for teams and other to review.

Please click on this QR Code to register prior to Friday, March 7, 2025. Registration is required to confirm the appropriate number of horses.
