MEET YOUR CLINICIANS

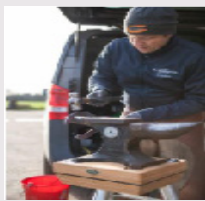

DR. BART HALSBERGHE

Bart is a double board-certified equine specialist with a focus on Equine Integrated Sports Medicine and Rehabilitation, with podiatry as cornerstones. He has over 15 years experience covering all major equine disciplines and is founder

of Global Equine Veterinary Consulting Ltd. providing world-wide veterinary related services.

DIDIER RONDELEZ

Didier has been a farrier for 25+ years, including 23 years as the resident farrier at University of Ghent, Belgium. Now in private practice, he specializes in shoeing sport horses and consulting on ortho- and

therapeutic treatment of horses in different disciplines. He is a founder of the Belgian Farriers Educational Association and certifies farriers in the use of Twin™ Shoes.

MEET YOUR HOST

DAVID MAST, Mast Farrier Service

Mast Farrier Service has been serving the Central Ohio area since 2008 with full time hoof care support for horses across most disciplines. They have a wide ranging client base and often work with local and regional vets on solving a variety of founder and laminitis cases.
