

SWEET RIVER EQUINE CLINIC INC.

Presents This Years
Farriers' Seminar & Workshop

FARRIERY AS IT RELATES TO ANATOMY & PHYSIOLOGY

With Dusty Franklin, CJF, AWCF, ASF

Dusty has been shoeing horses full-time since 1992 after working for his father, who is also a Certified Journeyman Farrier, for several years. He has been involved in the horse industry for over 39 years as a youth competitor and amateur competitor showing horses and competing in farrier contests beginning at the age of 20.

In 1995, Dusty began working towards his Certified Farrier certification. Soon after, he earned his certification as a Certified Journeyman Farrier. In 1996, Dusty began competing in horseshoeing competitions around the United States and Canada, advancing from a Division I competitor to the Open Division within one year. Dusty was asked to become an American Farrier's Certification Tester in 1997 and traveled to certifications working with Examiners. He was then asked to become an American Farrier's Association Provisional Examiner in 1997 and traveled to certifications working with Examiners. He was then asked to become an American Farrier's Association Provisional Examiner in 1997 and traveled to certifications working with Examiners and became an Examiner in 2003.

He is currently one of twenty Examiners within the AFA that certify farriers under its current guidelines. Dusty competed at the Convention Competition earning a spot on the American Farriers Association Team in February of 2009. He was also nominated by members of the American Farrier's Association as "Outstanding Educator," "Outstanding Clinician" and ""Edward Humanitarian Award" in 2009 and was awarded as the 2010 "Outstanding Educator." Dusty has co-written a flash card system for preparing for the certification process called "Let's Get Practical" which is sold throughout the United States.

Dusty has been given the opportunity to attend and give clinics in Brazil, Canada, England, South Africa, Australia, New Zealand and throughout the United States. Dusty competed on the American Farrier's Association Team in 2009 and 2010, and the World Championship Blacksmith Team in 2012 and 2015. He also won the hard-earned Stonewell Striker of the Year Award for 2011. He has completed the F.I.T.S. Exam (Farrier International Testing System) which is an international farrier testing system in several different countries and certification clinics. In 2017, Dusty traveled to England and earned the title of Associate of the Worshipful Company of Farriers.

Although often seen as a competitor and certification Examiner, Dusty is proud of his accomplishments as an Educator at Five Star Horseshoeing School and the education that he provides the students that come through the school as well as those passing through for clinics and workshop.
