- GradDip ELR
- Westman Farriery
- Head Farrier - Equine Surgery and Lameness, UC Davis Veterinary Medical Teaching Hospital

Shane does not believe in a 'one size fits all' approach. He embraces various modern materials and techniques in his practice along with traditional methods with an emphasis on evidence based hoof care for every day, sport, and lameness work.

\* IAPF Continuing Education credits

\* Raffle prizes

**Starting 8:30 each day**

**Live shoeing demos both days**
